### CLM PHARMACY ADVISORS, PHARMACY MANAGEMENT CONSULTANTS AND REAL SOLUTIONS GROUP FORM ALLIANCE TO SERVE GREATER INDUSTRY NEEDS

CLM Pharmacy Advisors (Catizone, Luce, & Menighan), Pharmacy Management Consultants (PMC – Ed McGinley and Tom Bender) and REAL Solutions Group (RSG) announced today an agreement to formally partner and form one of the most knowledgeable and influential advisory/consultant groups in the pharmacy, drug supply chain, and regulatory industry. Each company brings unique services to the alliance ensuring that clients receive a complete, well-rounded expert consulting experience. The alliance enables the three distinct operations to seamlessly support any aspect of pharmacy and drug supply chain compliance needs. The entities will operate independently and integrate their combined services and expertise when appropriate to provide comprehensive solutions to clients. For our clients, the alliance serves as a “one-stop shop” for all of their regulatory compliance needs.

[REAL Solutions Group LLC](#) (RSG)(formerly NABP Solutions LLC) provides regulatory consulting services for all aspects of drug supply chain and pharmacy regulation, licensing, and accreditation. RSG offers a full dashboard of services and solutions for clients seeking assistance with pharmacy and drug supply chain accreditations including NABP DDA (formerly VAWD), facility start-up, licensing compliance including changes of ownership, NABP VPP inspection prep, temperature mapping, and expert witness services, among several other services.

[PMC](#) offers a wide array of pharmacy related services to its clients who include independent and chain pharmacies, wholesale distributors, repackagers, buying groups, law firms, boards of pharmacies, non-sterile and sterile compounders, and other health-care related suppliers. They specialize in regulatory compliance, accreditation preparation, assistance with third party audits, monitoring services for licensees requiring regulatory board oversight, and identifying best practices for its clients to attain better outcomes in profitability and compliance.

[CLM](#) offers over 100 combined years of experience in pharmacy practice and regulation, specializing in regulatory matters involving state boards of pharmacy, the Food and Drug Administration (FDA), and Drug Enforcement Agency (DEA). CLM proactively identifies risks and solutions to support evolving and innovative business and practice models that comply with state and federal requirements. CLM helps clients manage compliance and operations and move from reactive to strategic.

With offices and associates across the US and strong relationships with critical decision makers across the pharmacy practice and regulatory environments, the affiliated companies can respond to any request for assistance with viable and effective solutions.
